ADA Sullivan-

As I mentioned to you on 11/16/09, I have a conflict regarding the [REDACTED] case scheduled on 12/3/09 (I already had a case scheduled that day in Pittsfield). I have contacted the ADA in that case and the case is still on for that day, but he is going to check with the defense attorney to try and make sure that the defendant is not just planning to plea that day. I'll keep you informed when I know more.

Hey Sonja,

[REDACTED] is still on for this Thursday for trial. I'll try to reach out to defense counsel to make sure this isn't something he is going to plea the day of, but as far as I know it is still on for trial. Also the [REDACTED] case that was on for trial in Pittsfield today but was moved has a new trial date of 1/27/10. I hope that day is okay with you. On that case, defense counsel has told us that he will be bringing the case forward on 12/8 to attempt a plea. I'll keep you informed.

Thank you for everything.

Joe

Hi Joe-

I'm just checking to make sure that the [REDACTED] case scheduled for Thursday, Dec. 3rd is still on for that day as I have another case scheduled for that day (in Woburn) and told the ADA that I would keep him informed if there were any changes. Thanks.

Sonja
